

2022 K-3 Home Library Program Book List

This summer Governor’s Early Literacy Foundation (GELF) will partner with school districts and charter schools across the state to deliver books and resources to all participating rising first and second grade students and teachers at no cost. (GELF is piloting a delivery to a select number of rising third grade students and teachers as well.) A diverse group of Tennessee educators selected the books, and they will be delivered in partnership with Scholastic.

The titles that have been selected are as follows:
