

Thinksheet

Rising 3rd Grade

Fly Guy Presents: Space By Tedd Arnold

Classroom Activities

- **Solar System Research Booklet:** Write the name of each planet on a separate piece of paper. Use Google (or one of the research options for students linked below) to research and record at least three facts about each planet. Put your research pages together to form a booklet of your findings.
- **To take it to the next level:** put your planet research pages in order that they are located in distance from the sun, beginning with the planet Mercury.
- **Research Websites for Elementary Students, linked at the following webpage:**
